Powered by **LiveU Solo** **LRT**
LiveU Reliable Transport

IDR 2 mio

**Zoom
Interactive**

Greet and talk with your friends and family after the ceremony. Include one LED TV (43 inch), microphone and a Zoom Meeting session with Pro account under your name. Support up to 100 persons

ALL PACKAGE INCLUDES

Audio

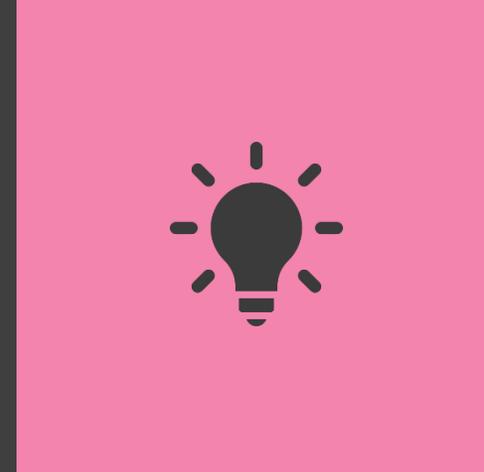

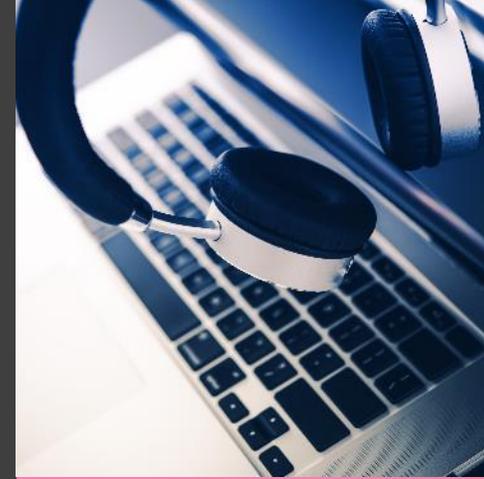

We capture audio from main audio console of the venue, with dedicated control to ensure audio streamed is crystal clear

Operator

Experienced operator and camera man to ensure best image captured, and smooth streaming experience for your viewers

Support

If you would like to stream to your own page or channel, we will assist you in setting things up before your big day

Pratama Multimedia is proudly serving various visual and broadcasting needs of company, governmental institution, and wedding couple since 2015.

Live Streaming helps your friends and family who can't attend to still 'virtually' see you walk down the aisle and tying the knot.

You can expect savings by reducing budget allocation in transportation, accommodation, and reception
